AquaLiv, Inc.

Infotone Face Mist utilizes simple spring water to dramatically improve skin. The secret is AquaLiv's BioT™ Bioinformation Technology that is contained in a non-toxic and 100 percent natural mineral clay ceramic ball. This ceramic ball enhances the water with the qualities of several skin-activating compounds – turning regular water into a powerful tonic that when misted over the face encourages optimal hydration and clear, youthful, glowing skin. 800-794-6976 or www.aqualiv.net

Beautiful image™

Beautiful Image's **"Lunch Time Face Lift"** helps to tone and tighten the skin; diminish (even erase) fine lines, wrinkles, and creases; lifts sagging jaw lines; and widens the eyes by lifting the brows and tightening the eyelids. Body sculpting helps to tone, tighten, firm, and lift the buttocks, legs, hips, and tummy. 800-800-0838, www.beautifulimagellc.com, or CRR# 108

Bio-Therapeutic, Inc.

Bio-Therapeutic delivers the ultimate in age defying hand treatments. Battle dryness and signs of aging in the hands using the **bt-nano™** hand rejuvenating service. This simple 10 minute add on service leaves hands soft, smooth, and luminous. 800-971-6438, www.bio-therapeutic.com, or CRR# 196

Beauty Through Balance

Beauty Through Balance Spa Line has launched a powerful new spa treatment incorporating whole organic seaweed concentrates harvested from the Pacific Coast of Canada. The Ritual helps to address inflammation, fluid retention, dry/mature skin, mind/body fatigue, and a range of other conditions. The treatment also offers the benefits of aromatherapy from the use of pure therapeutic grade essential oils. Products are offered in both professional and retail sizes. 888-796-0589 or www.beautythroughbalance.ca

Carmel Laboratories, LLC

Easeamine Skin Care Collection is an anti-aging skin care line that increases the production of collagen and elastin through its patented Adenosine Skin Technology formula. This unusual partnership is made credible by the clinical trials, in which participants saw a 40 percent improvement in fine lines, wrinkles, firmness, tone, and overall improvement in appearance by 15 percent. 508-581-8949 or www.easeamine.com
